

Welcome to Webelos Woods 2013

On behalf of the staff and committee of Webelos Woods I would like to invite you and your units to this year's Webelos Woods.

We started having Webelos Woods back in 2006 to help bridge the gap between Cub Scouts and Boy Scouts. The first year we met at Harelson Elementary with 30 participants and 60 staff members we could not have had a better success story. In 2007 we moved the program and became a District event increasing the number of participants to 65. Then in the beginning of 2008 we added our website: www.webeloswoods.org Thanks to Ryan George and all of the employees at Simple View. It has allowed us to pass on up-to-date information about Webelos Woods and how to get the most out of the program. Keeping the philosophy of KISMIF (Keep It Simple Make It Fun) we have moved the site to a different location so that we can make the event more affordable. Now, in 2013 we will be able to offer Webelos Woods for \$15 per person which includes all your food for the weekend.

When you register on Saturday you will form a patrol with other boys your age, create a patrol name, a patrol cheer and fly a flag that you will make there at Webelos Woods. Your patrol will be introduced to new skills and ideas while having fun. In the afternoon you can earn the Whittling Chip and compete against other patrols in your skill level; for the right to claim the #1 patrol at Webelos Woods 2013. We look forward to your participation.
